Looking forward to a future meeting from 6:30-8pm on a Tuesday or Thursday in November or December 2026, are there key dates that DO NOT work or that you would request we AVOID if possible? Please specify any scheduling conflicts or preferences.	The next CCC meeting will be held in person, with a virtual option for members who cannot attend in person. We are also aware that the hybrid setup may not be ideal for people joining online, and some members might prefer a different setup in order to maximize meeting accessibility. Please indicate your preference on fully online vs. hybrid meetings below. Please note that this survey is just to gauge preferences -- we are not planning changes on this unless there's a discussion and clear direction on it from the CCC.
